## Hamlin Stores Take On Holiday Trim

Arrival of Santa Claus on his specially chartered fire truck was a big event in the lives of Hamlin youngsters Saturday afternoon as they frenziedly sought his ear to make their Christmas requirements evident.

Many of the Hamlin merchants had made preparation for the arrival of Santa with appropriate store decoration and the week following was devoted to more work in this direction.

Streets of the town are festooned with many colored lights and the Star of Bethlehem on the water tower adds to the nighttime beauty.

Santa will again make his appearance Saturday and he is expected each Saturday until after December 25.

Notable examples of decorative ingenuity thus far displayed in store windows are at Malouf's, Cactus Beauty Shop, King's Supply, Witt Jewelry, B. Hassen Dry Goods, West Texas Utilities, Bill's Foods and the City Hall.

## McMurry To Retire Brad's Jersey To Case

Jersey No. 16 worn by Brad Rowland for four years at McMurry College, Abilene will probably go into the college's trophy case, according to a report to The Herald late this week.

Final acceptance rests on the college's board of trustees this Friday.

Proposal was made by Floyd Sampson at the banquet of the Indians honoring the team.

## FFA Holds Regular Club Monthly Meeting

Hamlin Future Farmers of America held their regular monthly meeting last Thursday at 7:00 p. m. at the High School Cafeteria.

Following the regular opening ceremony a short business session was held during which plans were made to sponsor the Hillbilly Circus entertainment group at the High School Auditorium, December 11 at 7:30 p. m.

After the closing ceremony the program committee took charge and the group was served a chili supper.

A film, "Permanent Agriculture", was shown arranged for the group by Jay Implement Co.

Those present were: David Ford, R. L. Goodgame, Jimmie Holmes, Herbert Hopper, Larry Reynolds, Doyle Brinnicker, Milton Crow, D. Morris, Paul Wick, Donnie Holloway, James Jay, Bill Pool, Dwan Rogers, Charles Early, Earl Pritchard, Robert Rhoten, Jack Wright, Clark Hewitt, Joe Rosenbaum, Jerry Smith, Donald Strain, Guy Weaver, J. W. Carlton, James Bowman, Fred Winslett, Harold Eades, T. C. Blankenship and Boyce Blankenship.

## Lions See Movie Of F.F.A. Club Work

Members of the Hamlin Lions Club met in regularly scheduled session Tuesday at the Drive-Inn at which time they were entertained with a screening of a film on Future Farmers of America activities.

The movie was shown through arrangement of Harold Eades, club member and assistant to T. C. Blankenship in the vocational agriculture department of the local high school. Eades had originally planned to demonstrate official work of the club's officers, but weather conditions had forced some members of his team to be absent.

A considerable portion of the film was devoted to picturization of club work in soil conservation programs.

No out of club guests were present at the Tuesday meeting.

## FFA Boys To Sponsor Hillbilly Circus Here

Hamlin's Future Farmers of America Chapter of the local high school will sponsor the Hillbilly Circus of KRBC, Abilene Monday night in the High School Auditorium at 7:30 p. m.

Featured in the hour and a half entertainment will be Slim Willet, Blue Sage Boys, Pete Newman, Buck White and Faye Martin.

## Linda Carlton Has Crowning As Queen

Linda Carlton of the 6A class was crowned queen of the Hamlin Elementary School at the Carnival held Saturday night, which was attended by over 950 persons.

According to a report \$333.82 was realized from the queen's race and about \$200.00 from the carnival. Proceeds will be used for educational purposes.

Below are listed the class queen's and their escorts:

- 1A—Linda Bingham and Barry Lee Cheshler.
- 1B—Brenda Greenway and Lanny Ford.
- 1C—Carla Wampler and John D. Ferguson.
- 1D—Priscilla Trotter and Clyde Chandler.
- 2A—Linda Kay Watson and Wayne Cooley.
- 2B—Jennie Lynn Slaughter and Jeffrey Fields.
- 2C—Charlene Pendley and Neal Moore.
- 3A—Brenda Fincannon and Sam Mac Hodges.
- 3B—Linda Carter and Ralph Rogers.
- 3C—Martha Gage and Bill Hallmark.
- 4A—Joan Hallum and Gene Murff.
- 4B—Glenda Marie Wick and Stephen Carmichael.
- 4C—Vickie Wampler and Marcus Fletcher.
- 5A—Janice Laverne Potter and George Mac Osborne.
- 5B—Donna Jean Kidd and Kenneth Hill.
- 6A—Linda Carlton and James Crowley.
- 6B—Elizabeth Norton and Jackie Rhea Fleming.
- 6C—Annette Smith and Muri Don Smith.
- 7A—Terry Stringer and Clarence Parker.
- 7B—Maxine Crawford and Dewey Martin.
- 7C—Carolyn Decker and George Morris.

## Wayne Daniel To Go On Indian Band Tour

Wayne Daniel, son of Mr. and Mrs. John B. Daniel of Hamlin will represent Hamlin with 50 other members of the McMurry College, Abilene, annual fall concert tour which begins this Saturday.

Wayne is a 1950 graduate of Hamlin High School and is a freshman at the college. He plays baritone saxophone in the Indian Band.

## Westex Camp Fire To Hold Annual Dinner

West Texas area Camp Fire Girls and Blue Birds will hold their annual dinner tonight (Friday) at the Haskell High School Cafeteria.

The dinner is a family affair—the Camp Fire Girls, Mom, Dad, older sister and brother. Tickets for the affair are available at a reasonable price.

The girls will have a big part in the program, however, featured will be Paul L. Summers of Stamford with a lecture on "The Southwestern Indian Lore." Exhibits of rugs, beadwork and the like will be shown.

We'd rather have a wart on our nose than a debt on our hands.

## Gene Richardson Gets Furr's Watch Award

Gene Richardson of Lubbock, assistant manager of Furr Food No. 4 and son of Mrs. Bill Stahl of Levelland received a wrist watch award on personality last week.

He formerly worked for the local Safeway store here.

The watches were awarded one to a store to the employee with the most outstanding personality toward customers, a report to The Herald states.

## Pipers Take Court In Roscoe Tourney

Hamlin Pied Piper cage aspirants went to Stamford for their first basketball game of the season last night and Coach Vernon Townsend was unable to select a starting lineup prior to the start of the contest.

The Stamford exhibition provided a preview of performances by candidates for berths on the cage quintet and Townsend took that preview as a gauge of abilities to use in the tournament which the club will enter today and tomorrow at Roscoe.

Hamlin will play Albany in the Roscoe tournament at 3:30 in the afternoon and should they come out as victors in that game, will return to Roscoe for an afternoon game Saturday.

Stamford will pay a return visit to the Pipers next Tuesday at the Elementary school court. At that game, which will be the first home appearance of the season, the new electric timing clock will be unveiled for the fans. The clock was a Banner Dairies contribution to local athletics.

## Wayne Daniel To Go On Indian Band Tour

Wayne Daniel, son of Mr. and Mrs. John B. Daniel of Hamlin will represent Hamlin with 50 other members of the McMurry College, Abilene, annual fall concert tour which begins this Saturday.

Wayne is a 1950 graduate of Hamlin High School and is a freshman at the college. He plays baritone saxophone in the Indian Band.

## VFW Meets To Plan Gift Toys for Needy

Veterans of Foreign Wars members of Post 6014 met Tuesday night at the post home and planned their Christmas program.

The group voted to give food and toys to the needy and stressed that they would cooperate with any other organization and ask they they contact either C. W. Gold or Clyde Huff.

## Football Banquet Names Favorites

The main hallway of Hamlin High School was taxed to provide seating capacity for the throng that attended the annual football banquet for the Hamlin Pied Pipers Saturday night.

Staged as a Piperette pep squad festival for the gridiron stalwarts, the event found the athletes and their dates dressed formally for the occasion and an adult atmosphere prevailed for the gathering.

Miss Billie Kathryn Newland beautifully filled the role of Master of Ceremonies and the program details were reeled off without a hitch as the football team was honored after a successful season.

Patricia Rimmer delivered the opening welcome to the assembly and Sugar Green responded for the team. Superintendent I. R. Huchingson spoke the invocation and the tasty banquet was under way.

No speaker was engaged for the banquet and Head Coach Jess Burditt spoke on the highlights of the season and commended the performances of each man on the squad. The manner in which the club arose from the sting of early season defeats and came down to the climax of the season with the Colorado City game brought the praise of the coaching staff and seniors on the club were particularly praised for their part in the improvement in play.

Co-Captain Asa Goodgame was selected to make a presentation of duplicate watch bands to the three-man coaching staff of Burditt, Vernon Townsend and Bob Nunley, and Goodgame spoke of the affection and respect with which the entire team regarded the trio. Humor was imparted to the proceedings when Goodgame said that the "Pipers might not have the smartest coaching staff in the business, but we have the most respected in the district."

Billie Kathryn Newland was chosen by the football squad as "Football Sweetheart" and was presented a trophy in designation of this honor.

W. T. Stapler was elected as "Football Hero" of the Piperettes and received his trophy as presented by Miss Newland. Stapler acknowledged the honor in a manner that was characteristic of his work on the gridiron when he said that he was sure that there were other members of the team who were more deserving of the honor.

Miss Lynell Sullivan was presented a gift from the Piperettes in appreciation of her untiring efforts in the interests of that organization.

Coach Burditt announced that letters had been awarded to Asa Goodgame, Don Rowland, Watts Fletcher, Robert Fletcher, Jim Harwell and Slim Hargrove, ends Hub Hopper, Ronald Armstrong and Don Elmore, tackles; W. T. Stapler, Jerry Carr and Frank Albert Tucker at center. Backs earning their letters were Billy Sutherland, Don Gregory, Milton Butler, Tuffy Ford, Sugar Green, Ames Maberry and Fats Hargrove.

This announced list totaled 20 players of which 10 will be lost to the squad next year. Jimmy Spencer and Franklin Willis will receive their awards as student managers for the club.

Following the banquet festivities, the assembly moved to the auditorium where a musical group composed of Rev. A. R. Posey, Walter Chalcraft, Nig Stringer and Hubert Carson entertained with instrumental improvisations. Robert Angel closed the entertainment with a display of feats of magic.

Non-conference games have not yet been scheduled, but it is certain that efforts will be made to book games with former rivals in District 6-A.

Haskell now has sufficient average daily attendance to gain a berth in this competition but will not get this classification until the following year.

## Herald Will Publish Letters To Santa Claus

Say! Kids it's time to write ol' Santa Claus that letter! Soon as he has read it he'll turn it over to The Herald for publication so you'll know he got it.

The things he asking for in particular is:

- (1)Address your letter to Santa Claus, North Pole.
- (2)Sign your full name and address, so he'll know where to find you.

All letters will be printed in the Christmas edition of The Herald on December 22—so write it now.

# School Board Ponders Bond Issue Program

## DePriest Queen And Court Goes To Austin

Ellen Doris Jones, De Priest School queen and her runnerups went to Austin on a sightseeing trip last Saturday.

The group visited: The State Capitol, University of Texas, Sam Houston College for Negroes, Tillotson College for Negroes, School for Deaf, Dumb and Blind, Texas State Hospital, Dorie Miller's Auditorium.

Upon their return each girl gave a highlight to the students in an assembly.

The group was accompanied by Mrs. L. V. Morgan, Mrs. W. C. Butler and E. S. Morgan.

## New District Lists Change in Pipers' Gridiron Oponents

Reorganization of football districts throughout the state of Texas in a move instituted by the Interscholastic League to eliminate the City Conference, brought a realignment of teams in all classes and the Hamlin Pied Pipers will be facing a new set of district foes when the whistle blows next year.

Schools in Dallas, Houston, Fort Worth and San Antonio were all placed in a AAAA conference and other schools in the state advanced to that bracket to provide a better balance of power. This move brought an advance of all former AA schools to AAA classification and Hamlin jumped from Class A to Class AA.

A surprise to school authorities was the basis on which classifications were made whereby Snyder and Colorado City remained in the same grouping with Hamlin. It was decided by league heads to base designation of schools on an average daily attendance in 1949 and this brought no change in the status of Snyder and Colorado City until next year, when a survey of their 1950 attendance will be made.

As a result of this move, Hamlin will be grouped with Snyder, Anson, Colorado City, Rotan and Stamford in competition for 1951. Haskell and Albany failed to list sufficient attendance to gain admission into this select group and these schools will vie with Merkel, Roscoe and Roby in Class A contests.

Schedule for the 1951 season has been drawn up and Hamlin will inaugurate the season with a home game with Snyder on October 19.

October 26 will find the Pipers at Anson, followed by a trip to Colorado City on November 2. Another game away from home comes on November 9 when Rotan will entertain the locals.

Final district contest will bring the Stamford Bulldogs here for a November 16 traditional battle.

Non-conference games have not yet been scheduled, but it is certain that efforts will be made to book games with former rivals in District 6-A.

Haskell now has sufficient average daily attendance to gain a berth in this competition but will not get this classification until the following year.

## Baptist Family Night To Hear Missionary

Family night will be observed at the local First Baptist Church next Tuesday at 7:30 p. m. Feature will be Mrs. John Mein, a missionary from Brazil.

Mrs. Mein will bring the message. She and her husband have been on furlough for sometime, but will return to the field in January. Dr. Mein is president of a Seminary in Brazil.

A hearty invitation is expressed to everyone to attend the program. A period of fellowship will follow after the program.

## County Teachers Organize at Anson

About 35 teachers from the local schools met in Anson Tuesday night to organize and elect officers to the Jones County Teachers Association.

Everett Beaver, County Superintendent, presided over the organizational meeting. After the constitution was adopted, the following officers were elected:

John Dyer of Stamford, president; Mrs. Edna Beck of Anson, first vice president; George T. Black of Hamlin, second vice president; Mrs. Lady Easley of Anson, secretary; Mrs. G. E. Douthitt of Lueders, treasurer.

Program was furnished by the Anson Elementary School girl's choral club under the direction of Wayne Roe. The scheduled speaker, N. J. Guillet of Midwestern University was unable to attend because of the weather.

After the program, the teachers were served coffee and donuts by the Anson teachers. A total of about 135 attended the meeting.

## DePriest Cagers Down Tahoka By Big Score

Hamlin's De Priest school basketball quintet copped the Tahoka quintet in the High School Gymnasium last week by a score of 26 to 13.

The scores changed three times in the first half with the score 14-13 at half time.

In the second half the De Priest Tigers held the Tahoka group to no score.

## De Priest School Chooses Its Queen

De Priest School queen contest ended Tuesday of last week with Ellen Doris Jones as winner and Emma Lee Green as runner-up. Total number of votes sold were 37,713, with 1c counting as a vote.

Ellen Doris's class, the 10th grade, sponsored by Mrs. L. V. Morgan sold \$125.60. Ninth grade sold \$120.13 and is sponsored by Mrs. E. F. Ford.

Eighth grade sponsored by E. S. Morgan sold \$71.00 and the seventh grade sponsored by Mrs. W. C. Butler, reported \$60.40.

The queen was crowned last Thursday at the De Priest Auditorium and was presented at the basketball game Friday at the High School Gymnasium when De Priest met Tahoka.

After the game the queen and other candidates journeyed to Austin for a sightseeing trip of places of interest.

The faculty expressed its appreciation for efforts made during the drive by students, patrons and friends.

**HOLE IN ONE** — With one punch, Pvt. Roy Thomas of Huntington, W. Va., put a hole in the head of North Korean premier Kim Il Sung. On observer with South Korean troops, Thomas had cut down the portrait of the red premier from an office building in Munchon, North Korea.

The school board of the Hamlin Independent School District met in regular session Monday night at which time they were treated to the annual Christmas dinner as guests of Superintendent I. R. Huchingson. High point of the Monday night session was the decision of the board to investigate possibilities of sale of a contemplated bond issue which may be submitted for referendum to permit needed improvements.

It was determined by the members of the board that the bond issue could be made without resultant increase in taxation in the district. This would be permitted through an overall increase in property valuations as a result of oil production and normal growth of the towns in the school district embraced. An indication of this advance is contained in school records which reveal that present tax valuations in the district are computed at \$8,424,893.00. The rate of advance is shown by reference to valuations in 1947 which showed a total of \$4,402,432. Values in 1948 were \$4,780,121.00 and those in 1949 were \$5,452,605.00. This eight-million dollar valuation in 1950 does not include increases in valuation in oil producing portions of the district since beginning of the year 1950.

Improvements contemplated by the board, which have been under discussion for many months, include a 12-room primary building, a band hall and remodeling of the two school cafeterias. Construction of the primary building would permit the transfer of the eighth grade back to the elementary campus. Housing of that grade at the high school building has been necessary the past three years because of the crowded conditions in the elementary building.

It is felt by administrative officials of the school system that this improvement program would care for anticipated growth for many years to come.

Huchingson was instructed by the board to issue his queries as to bonding companies' interest rates on current loans and to determine which of these companies would make the investment before the estimated \$160,000.00 issue would be submitted to the people for a vote.

The district is deemed to be in a very solvent condition with a total bonded indebtedness now outstanding of \$297,300.00, none of which is delinquent.

The present bonded indebtedness is all under a retirement period in excess of 30 years.

Huchingson announced that 90 per cent of current school taxes have been paid since the October opening of payment acceptance.

Indication of growth of the school system is contained in the reports of Principals Marvin Carlton and B. V. Newberry of average attendance in their respective buildings. The elementary department has had 102 added students which has brought their average attendance to 690 daily. The high school has had a 69 pupil increase with 223.2 in daily attendance. Average daily attendance last year for the elementary school was 543.2 and that for the high school was 257.4. The eighth grade enrollment is included in figures compiled for the high school this year.

## Postmaster Makes His Early Mailing Request

Postmaster Perry Sparks early this week issued his annual appeal for correct addressing and the early mailing of Christmas cards and gifts.

In conclusion he asked that Christmas seals and other stickers be placed only on the backs to parcels to keep the face of them clear for the address and mailing instruction to insure a speedy delivery.

W. T. STAPLER is pictured above as he was presented his trophy by Billie Kathryn Newland, following his selection as

football hero by members of the Pipette pep squad group. The presentation was made at the annual football banquet staged

by girls of that organization Saturday night at the Hamlin High School. Lettermen were announced at the banquet and

recognition given to outstanding performers. Stapler won all-district selection at guard for his season's play.

## Nylon Jersey Blouses Win Applause

Spun nylon jersey, a new blouse fabric, fashions this tailored blouse with modified bat-wing, three-quarter sleeves and high, round neckline. A deep, curved yoke is edged with a covered cord which ties at center front in a small bow.

### Need No Ironing—Warm as Wool

SPUN nylon jersey, which won't shrink, sag or bag, is making its first appearance in blouses combining high fashion with extreme practicality.

The nylon jersey, heat-set to stabilize shape and size, dries speedily and needs no ironing. It has, thus, the good nylon characteristics in combination with the look and warmth of jersey. Wrinkle recovery, too, is good. Creases hang out in a very short time.

One jersey blouse knitted entirely of spun nylon, and designed by Penny Potter, has a deep V neck and three-quarter length sleeves. Fine shirring curves sunburst fashion at the waistline to define the figure. This blouse is done in both pastels and dark colors, to harmonize or contrast with dark winter skirts.

Another such blouse, simply and smoothly tailored, has a high, round neckline as focal point for jewelry touches. A deep, curved yoke is edged with a covered cord which ties at the center front in a small bow. Modified bat-wing sleeves are three-quarter length.

Both blouses are ideal travel companions as each can be washed in a jiffy and worn an hour or so later. Like men's nylon shirts, which also require no ironing, the nylon jersey blouses should prove popular with saleswomen and weekend travelers.

This spun nylon jersey blouse, which washes like a handkerchief, has simple V neckline and three-quarter length sleeves. Shirring at the center of the waist molds the lines of the blouse. The fabric has been heat-set to stabilize its shape.

## Santa Fe Carloadings Show Nice Increase

Santa Fe carloadings for the week ending December 2, 1950, were 26,981 as compared with 24,702 for same week in 1949. Cars received from connections totaled 11,819 compared with 9,130 for same week in 1949. Total cars moved were 38,000 compared with 33,832 for same week in 1949.

Santa Fe handled a total of 36,545 cars in preceding week of this year.

Manufacture of Dairy Products Dips Badly

Manufacture of dairy products in Texas decreased 12 per cent from September to 52,545,000 pounds milk equivalent in October, a report to The Herald from the University of Texas Bureau of Business Research.

In comparison with October 1949, manufacture of dairy products slipped eight per cent in October 1950.

Mr. and Mrs. Art Newcomb of Hamlin attended the funeral last week of J. A. Brown at Rotan.

Santa Fe System Reports on Crops

Cotton harvest is practically completed, except for scattered fields have and there that remain to be cleaned up, mostly in the Northwest area. Frost has aided operations and the crop should be gathered before Christmas, according to a report from the Santa Fe System crop condition and agricultural survey.

Production of cotton is estimated now at 2,950,000 bales, an increase of 175,000 bales since October 1.

Combination of warm, dry weather and delayed frost is responsible for the greatest gain sorghum crop in the history of Texas. Last estimated at 129,072,000 bushels, the crop had the advantage of a long growing season and was allowed to mature more or less naturally, which permitted combining to proceed at full scale.

Peanut harvesting also is in the final stages with production estimated at 283,200,000 pounds.

Mrs. Mattie Free of Sylvestor was a medical patient in a Rotan hospital last week.

McCaulley News

By VIVIAN SHORT

Mrs. J. M. Abbott, long-time resident of McCaulley, passed away suddenly last Thursday. We extend sympathy to her children and granddaughter and great grandchildren. (Further details will be found elsewhere in this week's issue of The Herald.)

Attending the fellowship meeting of the Queen Esther Chapter of the Eastern Star at Abilene last Monday night were: Mmes. Rufus Herbst, Levi McCollum, W. C. Jackson, Stanley Jackson and George Darden.

Mrs. Noah Wishert visited her sister, Mrs. Neva Wilkerson, of Roby last Monday.

The Baptist Womens Missionary Society meeting at Longworth last Tuesday was attended by Rev. and Mrs. L. R. Stuckey and Mrs. W. F. Davison.

Margaret Darden of Abilene was a Sunday visitor in the home of her parents, the George Dardens.

S. E. Miers and son returned Wednesday from a four days visit in Fort Worth with Mr. and Mrs. Ellis Elvins.

June Rhoten and family of Borger were week-end visitors with his parents, the J. T. Rhotens.

Mr. and Mrs. Lewis Earl Madden of Hamlin were Sunday visitors in her mother's home, Mrs. Vera Jayroe.

Earl Rhoten of Roby was a Sunday visitor with his parents, the J. T. Rhotens.

Mr. and Mrs. E. A. Lawlis and boys and Mrs. John Brower were shoppers in Abilene last Tuesday.

Mrs. Jimmie Dee Jackson and son have moved to Abilene where she is employed in the First State Bank.

Rev. John Sewell and family of The Seminary, Fort Worth, were week-end visitors in the home of the Albert Georges. Mrs. Sewell is the former Betty George. They were accompanied by two Hawaiian friends.

## Vegetable Cheese Treat

Bright idea for a fall main dish is corned beef and cauliflower in mellow cheese sauce served piping hot in individual casseroles. These three "Cs"—cauliflower, corned beef and cheese sauce—are a texture and flavor trio superb, and make imaginative use of one of fall's most dramatic vegetables with delicious, nutritious cheese.

Make this hearty main dish now while cheese is so abundant and so reasonable.

**Cauliflower Scallop**  
1 cauliflower  
1 cup coarsely chopped  
cooked corned beef  
3 tablespoons butter or  
margarine  
3 tablespoons flour  
1 1/2 cups milk  
Salt, pepper  
1/2 pound mild flavored  
pasteurized process  
cheese, shredded  
Buttered crumbs

Break the cauliflower into florets and cook in boiling salted water until tender. Drain well, and arrange in 3 or 4 individual casseroles. Sprinkle the cauliflower with the chopped corned beef. Melt a few cubes with the butter or margarine, flour, salt and pepper. When thick and smooth, add the remaining of the flour and milk, and stir until it is smooth. Pour this cheese sauce over the cauliflower and corned beef in the casseroles. Bake 15 minutes in a moderate oven, 350 degrees. Sprinkle with the buttered crumbs and broil 5 minutes.

A short business meeting of the Hamlin Blue Birds was held Tuesday at 3:45 p. m. in the home of Mrs. Thomas Ferguson.

The group discussed plans for

the future meetings.

Those attending were: mothers and leader, Mrs. Carter, Mrs. Ferguson, Mrs. Gauge, Mrs. Dutton. Members were: Martha Jane Gauge, Linda Darlene Carter, Lillie Sue Austin, Lynda Karen Dutton, Rebecca Ann Ferguson, Judy Rector.

The club met this Tuesday at 3:45 in the home of Mrs. Thomas Ferguson. Any child interested in becoming a Blue Bird is urged to attend.

Mrs. Guy Campbell of Hamlin was a medical patient in a Rotan hospital last week.

Spooks and goblins, broom-stick witches, leering cats and pumpkin faces all spell Hallowe'en, that mysterious occasion which delights every age. The very little folk have their fun visiting neighbors to show off costumes and earn a goodie, older sisters and brothers plot and plan the traditional "trick or treat" and even mother and dad can use this excuse for a party.

Hallowe'en parties are downright homespun. Autumn leaves and blue jeans set the scene for a night of ghost stories and square dances. The place for the party can be as rustic as a barn—if you're lucky enough to have one—or a well-decorated basement or garage will do. No one minds the informality of a Hallowe'en party—in fact, it's to be expected.

Refreshments should be as simple as the party itself and just as festive. For example, a scooped-out pumpkin shell filled with ice is a perfect way to have beer ready

and waiting when guests arrive. Or use an ice-filled galvanized pail bedecked with corn husks. As for the food, set a big bowl of Piquant Russian Dressing—made by mixing equal parts of mayonnaise and chili sauce and adding one-fourth as much chopped sour pickle—in the center of a large tray surrounded by a variety of finger foods—celery, shrimp and raw cauliflower. Then everyone can dip his own. After appetizers, bring on steaming hot casseroles of macaroni and cheese, tossed green salad, bread and more cold beer.

What could be simpler or more fitting? The beer needs no attention—let guests pour their own.

Macaroni and cheese come all prepared from a can or package. Just put into the oven and bake til crusty brown on top. Salad greens can be washed and crisped ahead, brought out and tossed the last minute at the table. A perfect party for guests and hostess, too.

**GUNS RATE SALUTE FROM STAR AND STRIPE RANKS**—From the lowly one-striper to the star-studded general, fighting infantrymen know that automatic weapons are not only a clue to a unit's fire-power, but the difference between life and death to a Yank in a foxhole. At right, Gen. Frank Lowe, executive assistant to President Truman, helps Sgt. 1st Class Vincente Dialo of the Philippines clear a jammed .50 caliber machine gun. At left, two PFCs, Leslie Enos (left) of Phoenix, Ariz., and Francis Shields of Indiana, Pa., work over a .30 caliber weapon near Seoul, South Korea.

**Quail Hunters Due  
To Find Birds Are  
Plentiful In County**

Quail hunters in Hamlin and nearly the rest of the state may look forward to improved quail hunting this year, according to a report to The Herald from the Executive Secretary of the State Game, Fish & Oyster Commission.

Hunting season for the state is from December 1 through January 16, both days inclusive. Bag limit of 12 per day or 36 per week. However in 28 counties in the Panhandle the limit is 10 birds per day and possession limit of 20.

West of the Pecos the season is only open during December and the daily bag limit is 12, with the possession limit of 24.

There is no open season on Mearns quail.

The Secretary explains that many counties have special quail

laws and urges hunters to check the local regulations before going hunting.

Wildlife biologists are conducting studies of quail population through examination of the wings again this year.

Cooperation of all hunters is asked by sending one wing from each bird they kill to the Commission in Austin. To facilitate mailing of these wings a special business reply envelope is being given for the asking.

It is essential that the wings from the cocks and hens be placed in separate envelopes. Date and county of collection is necessary along with the number of coveys and approximate amount of birds will help to compare the populations with last year.

Virgil Smith, Garland Calloway and Billy Hise went on a deer hunt near Ferrisburg last week.

### Garden Club Meets In November Session

Hamlin Garden Club met Friday, November 10 in the home of Mrs. W. A. Albritton at 3:00 p. m.

Mrs. H. O. Cassle in prayer and roll call was answered by "Plants That Grow in the Shade."

Mrs. Harold Bonner told the group of the flower arrangement show, she and others of the club had attended in Abilene recently.

Mrs. J. W. McCrary discussed Nandinas and their care. Several Crysanthemum displays were exhibited by the club.

The club will again this year sponsor the window decoration contest of local homes.

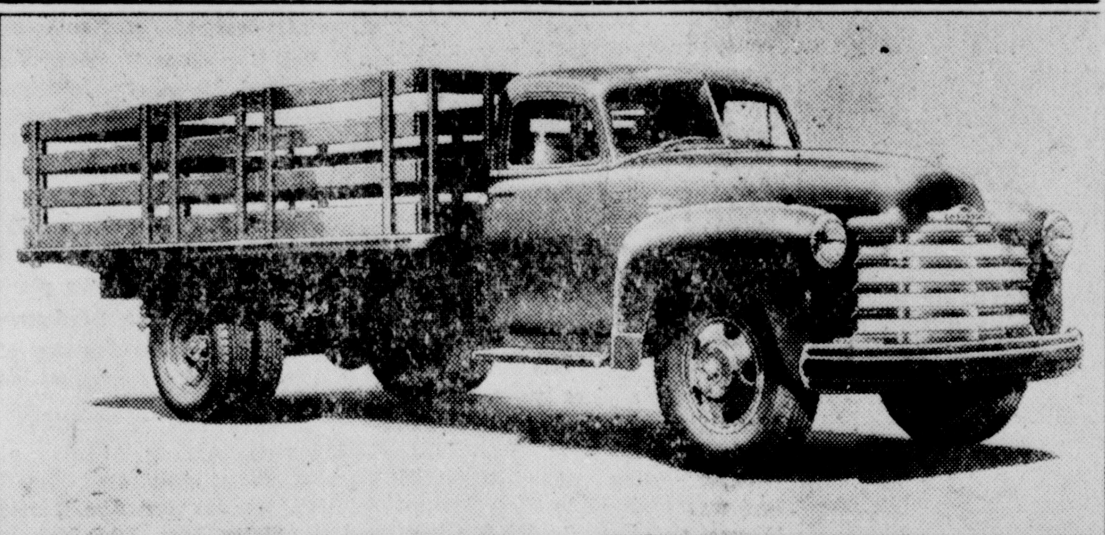

Those who attended were: Mmes. W. A. Albritton, Edd Bailey, Harold Bonner, H. O. Cassle, Roy Carmichael, P. A. Fowler, C. G. Green, A. A. Mackley, P. D. Harkins, E. J. Hawkins, A. G. Irwin, Dick Maberry, J. W. McCrary, Luther Marr, R. D. Moore, La Foy Patterson, W. G. Pickron, C. C. Prater, W. J. Poe, Tom Teague, C. P. Yates, M. T. York.

(Your reporter offers sincere apologies to Mrs. Albritton and the entire club for this writeup not appearing in the paper at the right time. I wrote the article to take to The Herald the next day and in the meantime a tragic accident and a relative seriously injured. This morning I found the report in my desk.)

The fish probably would jump into the net if they could see this glamorous fisher-miss. She is Betsy Barbara Thomas of Spartanburg, S. C., who represented South Carolina at the National Seafood Festival recently in Hampton, Va. Barbara is wearing a gay cotton swim suit designed with a bustle-back in Spring Mills cotton fabric.

### Chevrolet Trucks Reveal 1951 Advances

Typical of improved 1951 Chevrolet trucks is this heavy-duty stake model (Series 6109). Newly designed "Twin-Action" brakes on rear wheels assure increased braking effectiveness and longer life. Adjustable ventipanes for better ventilation and a new spring seat construction are among other high spots.

### Livestock Shipments Climb 47 Percent

Livestock shipments in Texas climbed 47 per cent in October from September, according to a report to The Herald from the University of Texas Bureau of Business Research.

September-to-October shipments of calves increased 11 per cent, while shipments of sheep and hogs dropped 59 and four per cent, respectively.

October livestock shipments slid five per cent from October, 1949.

### Rotary Club Holds Its Ladies Night Thursday

Hamlin's Rotary Club honored their wives with Ladies Night this Thursday at 7:00 p. m. in the High School Cafeteria.

Good food and entertainment was shown all attendants.

Then there is the guy who made antifreeze by hiding her woolen pajamas.

We are more discontented from failure to satisfy our desires than from failure to satisfy our wants.

### Calvary Baptists Hold Second Sunday Sing

Second Sunday Singing will be held this Sunday at the local Calvary Baptist Church, according to a report to The Herald.

Singing will begin at 2:00 p. m. and the public is cordially invited to attend.

Apparently the guys who take cold showers every morning just do so to brag about it.

Women have many faults, but men have only two—everything they say and everything they do.

### McCaulley Cagers Win Over Divide

McCaulley High School won a "doubleheader" basketball game last week from the Divide Trojans.

McCaulley boys copped the Trojan boys 39 to 26. McCaulley grabbed a 12-1 lead in the first quarter and were never behind. At the halftime the score was 13-12 and 25-22 in the third period. The final 14 points were racked up in the fourth.

McCaulley girls took the Divide girls 27 to 24. Divide led in the first quarter 8-6; McCaulley led in the second 14-10 and held a 22-14 margin through the third. In the final period Divide dropped

ed 10 points to McCaulley's five. McCaulley's boys team is composed of — McEyes, Jeffery, Fought, Cozart and Carter. Carter was high point man with 16 points.

McCaulley's girls team is composed of — Lairs, Jeffery, Lawlis, Kean, Houghton. Houghton was high scorer for the girls with 11 points.

Mrs. H. B. Parks and Mr. and Mrs. Ellis Parks and two children of Paducah visited Sunday in the J. I. Steed and R. L. Harris residences.

New outside! New inside! Refreshingly new in feature after feature! That's Chevrolet for 1951—the greatest value the leader has ever offered!

It's America's largest and finest low-priced car—looking even longer, lower and wider than its famed predecessor—thanks to distinctive new styling with entirely new front and rear-end design and new America-Preferred Bodies by Fisher of surpassing beauty.

With all these new things, it brings you the proved things, which cause more people to buy Chevrolets than any other car, year after year.

It brings you extra-sturdy, extra-rugged, extra-durable Chevrolet construction; it brings you that more thrilling and thrifty Valve-in-Head engine performance for which Chevrolet is world-famous; it brings you comfort feature after comfort feature and safety feature after safety feature found only in Chevrolet and higher-priced cars.

Come in; make a thorough inspection of this most beautifully balanced motor car the leader has ever built; and you'll agree it's America's largest and finest low-priced car!
